Pella Corporation Supports Quality at Bethany Life Communities

Pella Corporation, Story City, Iowa donated \$2,500 to Bethany Life Communities (BLC) in support of the *“Enhancing the Quality of Nursing Care Through Technology”* Capital Campaign. Funds received will be utilized to purchase a sophisticated software and hardware package called CareTracker that will improve the care assessment, quality and documentation of services provided by BLC. The campaign goal is to raise \$50,000.

Pella Corporation Human Resources Manager Jeff Staton said, “Pella prides itself in the production of the highest quality windows and doors in the industry and applauds BLC’s commitment to quality. Pella Corporation understands what systems are important within a company to assure high quality results and is pleased to support the quality infrastructure of Bethany Life Communities.” Bethany Life Communities President/CEO Betsy Warburton said, “Pella Corporation has a strong commitment to quality. We are grateful for Pella’s generous partnership in support of BLC’s continuous quality improvement efforts. Such support helps BLC fulfill its mission to “help elders thrive in their life journey, living in a Christian environment of hope and compassion”. More information about Bethany Life Communities is available at: www.bethanylifecommunities.org.
