

June 2009

Dear Friends,

June brings us to those “lazy, hazy days of summer”. Life changes pace in the summer. Maybe summer brings to you memories of summer vacations and times spent traveling or enjoying fishing at a lake. Summer memories may include picnics and family reunions. Every season of the year has its own special treasures and summer is no exception.

Summer is also a time of growth – the flowers are in full bloom. We enjoy the produce of the garden. The grass grows quickly and we are busy mowing the lawn. Growth is so evident in the summer.

“But grow in the grace and knowledge of our Lord and Savior Jesus Christ.” - 2 Corinthians 3:18

Summer can be a time that God grows in us His life – His love, patience, compassion, understanding and peace. As we live in the company of Jesus, may we come to know Him as our dearest friend and closest companion.

Enjoy the “lazy, hazy days of summer” – and look forward to growing in Jesus Christ!

In the joy of the Lord,

Chaplain Sandy
