Jeff Staton of the Pella Corporation announced that Pella has contributed \$1,000 in support of Bethany Life Communities efforts to renovate Bethany Manor's dining room and kitchen. This campaign, "Breaking Bread Together" has currently raised approximately \$40,000. Larry Elphic, Bethany Life Foundation Director stated, "Pella's gift is a nice boost to our efforts in making our dining room a much more enjoyable experience for our residents, their families and our staff at Bethany Manor. Although additional funds are needed, our donors will soon see the renovation begin to take place." Julie Moss, Pella's Human Resources Assistant stated that, "Pella is very happy to help create a nice place for Bethany's resident to enjoy their meals. We know this is an important time of the day and that this contribution is meeting an important need. We appreciate the work Bethany Life does for our seniors."

Betsy Warburton, President & CEO of Bethany Life Communities, thanked Jeff and Julie for Pella's gift and commented, "Pella has been a tremendous supporter of Bethany Life Communities over the years.
