Bethany Life's mission is to help elders thrive in their life journey, living in a Christian environment of hope and compassion.

## Our Vision

Bethany Life will become a regionally recognized resource for comprehensive and innovative aging services.

## Our Values

Benevolence,  
Stewardship, Personal  
Growth, Innovation,  
Teamwork, &  
Relationships.

## From the President

As we move into 2018, I want to thank all of you for your tremendous contributions in 2017. Your support helps on many different levels here at Bethany Life. As a donor you know that we have several funds available and they are all worthy of your support.

We know that we need to earn that support as well, so I wanted to expand on several facts about Bethany Life that you may already know:

We have been a faith-based, non-profit organization for over 100 years and our commitment to remain as such is unwavering. Because of this commitment, we are the only facility in the Story City and Ames area that embraces the need to care for those who need financial assistance along with others who can pay fully for their care. We often receive calls from other facilities about folks who have run out of money and then need to move because the facility they are in does not accept Medicaid. We don't do that and we have never asked anyone to leave because they have run out of funds.

We are the only facility in the area who employs a full-time chaplain. We celebrate our faith here and minister to all who are in need, irrespective of their faith tradition. This is the cornerstone of who we are and again we remain unwavering in this.

We are very pleased that Bethany Life provides meaningful employment to a great number of the residents of Story City and the surrounding area. In this way we are able to give back to the community as our employees have returned millions of dollars through their purchase of goods and services over the years.

As a non-profit, we do not

pay property taxes on any of our continuum except for our twin homes and maintenance garage. We are grateful for this, primarily because property tax expenses would have to be passed on to our residents and tenants, as they are in any business, making it more expensive to live here. This would in effect tax only those who pay privately, as their rates are the only rates we can adjust. The combination of our mission and tax-free status permits us to give back to our communities through food, services and use of space. The value of these contributions amounted to \$966,208.57 in 2016.

Finally, I speak not only for Bethany Life but for all who are providing services to our elderly population when I say that our field is becoming ever more strained financially due to many forces in play. Public funding for reimbursement for our services continues to decline, regulations and their unavoidable costs continue to increase, and a very tight labor market increases the cost of recruiting and staffing. Any way that we can support those who choose this field is vitally important moving forward. They have a special heart for those we serve and choose to go where most won't.

In closing, I again offer my heartfelt thanks to all who support us in so many ways and I ask for your continued support in 2018. Your participation in our mission is vital to the care of our elders.

Gratefully,

*Betsy Warburton*

# From Chaplain Sandy

Dear Friends,

*"My cup runneth over."* – Psalm 23:5b

Our God is a gracious God, who is generous and blesses us abundantly. The songwriter says it so aptly, count your blessings, name them one by one. If we take the time to do that, we will find that our cups overflow.

Author and teacher, Gerhard Frost wrote:

Lord forgive me	Have no choice
For drinking out of	Since you've made
My saucer today.	My cup overflow.
You see, I really	

Our cups overflow because we are so blessed by our heavenly Father. None of us deserve God's goodness – but it is freely given to us in His Son. Our lives are saturated in His love. His grace is the basis of our blessed lives. We are highly favored and deeply loved by our Creator and Savior.

Are you drinking from your saucer? It's ok, because you are so, so blessed.

In His Peace,

*Chaplain Sandy*

# Preventing the Flu: Good Health Habits Can Help Stop Germs

The single best way to prevent seasonal flu is to get vaccinated each year, but good health habits like covering your cough and washing your hands often can help stop the spread of germs and prevent respiratory illnesses like the flu. There also are flu antiviral drugs that can be used to treat and prevent flu.

## 1. AVOID CLOSE CONTACT.

*Avoid close contact with people who are sick. When you are sick, keep your distance from others to protect them from getting sick too.*

## 2. STAY HOME WHEN YOU ARE SICK.

*If possible, stay home from work, school, and errands when you are sick. This will help prevent spreading your illness to others.*

## 3. COVER YOUR MOUTH AND NOSE.

*Cover your mouth and nose with a tissue when coughing or sneezing. It may prevent those around you from getting sick.*

## 4. CLEAN YOUR HANDS.

*Washing your hands often will help protect you from germs. If soap and water are not available, use an alcohol-based hand rub.*

## 5. AVOID TOUCHING YOUR EYES, NOSE OR MOUTH.

*Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.*

## 6. PRACTICE OTHER GOOD HEALTH HABITS.

*Clean and disinfect frequently touched surfaces at home, work or school, especially when someone is ill. Get plenty of sleep, be physically active, manage your stress, drink plenty of fluids, and eat nutritious food.*

Life Care at Home

“Peace of Mind.  
Knowing you don't  
have to worry about  
the future. Whatever  
happens, we're  
covered.”

- **Bob & Maripat Higgins**, Roland

LifeChoices at Bethany is an innovative approach to planning for future aging services. It is an opportunity for healthy and independent individuals and couples who are committed to staying in their home to invest in their wellness and to protect themselves from the high cost of long term care. We are very proud to offer this new membership opportunity to the Story County community.

For More Information, call Austin Mortvedt at 515-290-6756.

Bethany Life Wellness Coordinators, Kylla and Paige, are excited to offer the Stepping On workshop. The workshop is designed for people who have fallen, people who fear falling and to help prevent future falls. The workshop is held for two hours, once a week, for seven weeks, with a 90 day follow up class.

The program was developed by Dr. Lindy Clemson of Sydney, Australia. It was brought to the United States by Dr. Jane Mahoney, Executive Director of the Wisconsin Institute for Healthy Aging, with funding from the Centers for Disease Control and other partners. The research has found that people who complete the workshop have a 31% reduced rate of falls.

Stepping On will help participants identify why they fall and different ways to prevent falls, including strength and balance exercises, home safety check suggestions, and a medication review. Participants will view a display of fall prevention products and hear from several guest experts on fall related topics. The goal for Stepping On participants is to achieve better strength and balance, and to experience a feeling of confidence and independence as a result of performing various exercises and sharing personal falls experiences as a group.

## I AM BENEVOLENT

*Never look down on somebody unless you're helping them up.*

The Households of Bethany served 149 people in 2017 that were unable to pay for the full cost of their healthcare. 149 people who have worked all their lives. 149 people who paid their taxes and gave to charity. 149 people who raised their kids with a sense of pride and a central Iowa work ethic. These elderly people are now at the mercy of our nation's struggle in determining who gets what as our safety nets become tattered. Yet, there are those of us who understand the need for benevolence and have found in our hearts a way to help today. Our 2017 Bethany Life donors have done so. They know that we do not look down at the poor. We receive and hold them in our open arms with respect and dignity. Our donors stood up and offered a hand to Bethany Life's mission, as we give it all every day, to make the lives of those we serve one with hope and without fear.

Thank you and God bless all of you.

# Our Funds

**The Employee Appreciation Fund** receives gifts primarily from grateful family members who recognize the commitment and care provided for their loved ones. This Fund pays for many of the special events Bethany Life provides throughout the year to celebrate our staff and their love for the older adults in their care.

**The Life Enrichment Fund** receives gifts that directly impact the lives we serve by engaging our residents and tenants in the fine arts, such as music and painting. Residents will be able to enjoy in-house classes and seminars, art exhibits and other cultural experiences. These activities will support life long learning, creativity and stimulation.

**The Good Samaritan Fund** gives Bethany Life the capacity to serve individuals who are unable to fully pay for their health care. This unrestricted fund is the heart of the Bethany Life mission.

**The Capital Needs Fund** receives gifts that have been restricted to a specific capital need. In the past this has included the renovation of living areas, the purchase of quality assurance technology hardware, and the purchase of vans.

**The Chaplaincy for Today Fund** receives restricted gifts which support the ongoing costs of the Bethany Life Chaplaincy program. The spiritual care that our residents, tenants, their families, and our staff receive is a cornerstone of all we do at Bethany Life.

**The Chaplaincy Endowment Fund** is a permanently restricted fund which gives individuals and families an opportunity to build a legacy of Christian care. Gifts can be given through planned and estate gifts, although all gifts are much appreciated and needed. This fund is critically important in assuring that Bethany Life will always have the financial capacity to bring spiritual care to those in their greatest time of need.

**The Excellence in Nursing Fund** receives gifts that are restricted to supporting the nursing department in providing the highest quality of care possible. These funds will support continual education and training for our nursing staff as well as purchasing needed medical equipment.

# *I Am Benevolent*

**GIFTS CAME FROM INDIVIDUALS,  
BUSINESSES, CHURCHES, ESTATES,  
AND MEMORIAL GIFTS. DONORS FROM  
THROUGHOUT THE UNITED STATES CAME  
TOGETHER IN SUPPORTING OUR MINISTRY.  
WE ARE SO GRATEFUL THAT ALL OF YOU  
HAVE INCLUDED BETHANY LIFE IN YOUR  
LIFE. THANK YOU AND GOD BLESS YOU!**

# Irish Soda Bread

Makes 1 loaf

## INGREDIENTS:

Nonstick vegetable spray  
2 Cups all purpose flour  
5 Tablespoons sugar, divided  
1 ½ teaspoons baking powder  
1 teaspoon salt  
¾ teaspoon baking soda  
3 Tablespoons butter, chilled, cut into cubes  
1 cup buttermilk  
2/3 cup raisins

## DIRECTIONS:

Preheat oven to 375°F. Spray 8-inch-diameter cake pan with nonstick spray. Whisk flour, 4 Tablespoons sugar, baking powder, salt, and baking soda in large bowl

to blend. Add butter. Using fingertips, rub in until coarse meal forms. Make well in center of flour mixture. Add buttermilk. Gradually stir dry ingredients into milk to blend. Mix in raisins.

Using floured hands, shape dough into ball. Transfer to prepared pan and flatten slightly (dough will not come to edges of pan). Sprinkle dough with remaining 1 Tablespoon sugar.

Bake bread until brown and tester inserted into center comes out clean, about 40 minutes. Cool bread in pan 10 minutes. Transfer to rack. Serve warm or at room temperature.
